

2025-26 East Mink Creek Nordic Center

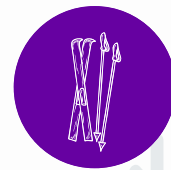

Once we open for the season, the nordic center is open 24 hours a day 7 days a week.

New this year! We will be using the Nordic Pulse app for trail conditions. You can find up to date grooming reports on this app. Look for Nordic Pulse in your app store on your phone.

The A-Frame is staffed Friday, 9-3 and Saturday and Sunday, 9-5 for pass purchases and equipment rentals.

We offer many programs and events at the nordic center such as lessons, Ski Free day, and more!

New this year! The Pocatello Cross Country Ski Foundation generously purchased a camera that will upload images every 15 minutes so you can checkout current conditions at the nordic center. You can find the camera feed on our website as well as the foundation's website (pokyc.org).

Season Pass

Please display pass on outside of clothing with provided S hook when skiing

Sign In/Scan In

Please sign in at self sign in boxes or scan in when the A-Frame is open **EVERY** time you come to ski. This helps us demonstrate use for the City and grant applications.

Parking Pass

Please display your parking pass on the **lower left** windshield of your vehicle. Passes are transferrable between vehicles.
